

— Proverbs 19.11 —
New Year's Sermons 2016
The Rise of Victimhood Culture

- * What happened at Yale over Halloween?
- * How does this kind of scenario strike older Americans?
- * What accounts for this disconnect according to sociologists Bradley Campbell and Jason Manning?
- * What does “moral culture” have to do with per sociologists?
- * What three moral cultures do Campbell and Manning identify, and what is their historic settings?
- * Name the most famous example of honor culture in the US?
- * What is all-important in “honor culture”?
- * What is one expected to do regarding one's “honor”?
- * How is one to do that?
- * Where did honor culture linger in US, and where is it found still today?
- * What was the public reaction to “the duel” in the US?
- * How does “dignity culture” view the individual differently?
- * How does dignity culture view strength?
- * How does dignity culture deal with offenses?
- * Who does victimhood culture grant high moral status to?
- * How does victimhood culture deal with offenses?
- * How does victimhood culture revert to honor culture, and what does it change from honor culture?
- * How do honor culture and victimhood culture create an undue risk of injustice?
- * Which moral culture does the Bible most line up with?
- * What is the ideal man like according to the Bible, and how is strength shown?
- * What is unfortunate among Christians today? What should Christians reflect, even if the culture does not?
- * Dignity culture is only possible ...
